National Drive Electric Week

Tuesday, Sept. 11, 9am-3pm
Trabant University Center

Talk to EV owners and dealers, see a variety of cars, take a ride or test drive, and learn about incentive programs as well as talks from UD researchers on their work to make our transportation systems more sustainable – from vehicle-to-grid technology to self-driving cars and fuel cells.

Featuring talks from:
- James Pappas, DeIDOT
- Kathy Harris, DNREC
- Willett Kempton, UD
- Andreas Malikopoulos, UD
- Ajay Prasad, UD
- Mike Chajes, EV owner

Vehicles on display:
- Tesla Model 3
- Ford Fusion Energi
- Nissan Leaf
- Electric Motorcycle
- Chevy Bolt
- Powersports East
- Electric Motorcycle
